

COUNTY OF YORK

MEMORANDUM

DATE: November 24, 2004 (BOS Mtg. 12/07/04)

TO: York County Board of Supervisors

FROM: James McReynolds, County Administrator

SUBJECT: Public Sewer Extension Agreement
Hawk's Landing

Centex Homes, developer of the proposed development known as Hawk's Landing, has requested authorization of a Public Sewer Extension Agreement as required by Section 18.1-53(b) of the York County Code. Two parcels totaling 16.36 acres and located at the intersection of Owen Davis Blvd. and Hampton Highway are to be developed into thirty-one residential lots.

To provide sanitary sewer service to the proposed development, the developer will be required to install 1,358 feet of sewer force main to connect to existing County facilities. Sufficient capacity exists in the sanitary sewer collection system to support the proposed development. In accordance with Section 18.1-64(a) of the County Code, the connection fee for this proposed development is \$71,300.00 (thirty-one 5/8-inch connections @\$2,300.00 each).

Board approval is required for sewer extensions because the current County Code, Section 18.1-53(b) requires the governing body to authorize the agreement. Additionally, state law requires that the developer "appear" before the Board of Supervisors and inform them of his desire to connect to sewer facilities of the County for more than three connections.

It is recommended that the execution of a Public Sewer Extension Agreement for the subject project be authorized through the adoption of Resolution R04-169.
